## This Tuesday at Camp Naz...

Yesterday started with a morning matins service, where all the campers sang beautifully together to greet the day to come. The day continued with another beautiful day for sports. Everyone got together to play capture the flag, blind volleyball, ultimate Frisbee, dance, or the new popular game 9-square. The campers got to show once again how to truly have fun in Christ.

After the campers enjoyed a variety of activities during their cabin rotation, they gathered together during another beautiful vespers service. We also got to enjoy some blasts from the past at the Decades Festival during dinner. Everyone got to dress up and enjoy music and dances from different past decades. And then we all got to conclude this wonderful day by singing our hearts out at a campfire. Now starts the next chapter of the first week of the camping season.

“And I by my works  
will show you my  
faith.”

~ James 2:18

## THEOLOGY REVIEW

“There is no other Christ or other truth... Wool can be dyed, but its substance remains unchanged... thus also the truth is expressed in various words, but in substance stays the same, because by its very nature it is one.”

~ St. Ephraim the Syrian
