Camp Nazareth Wednesday

After the mystery to the sticky bun caper was solved yesterday morning, our campers got to enjoy another beautiful morning of sports. The camper community then branched off with the rest of their cabins for cabin rotation activities. Everyone got the chance to go to the ropes course, make a blanket to be donated to a charitable cause, practice their singing voices, or go on a hike into a wooded area around the camp.

Yesterday evening had special events in store for both the younger and older campers. The younger campers got to go on a Jurassic Park themed adventure. Meanwhile, the older campers got to enjoy a nice refreshing night swim here at the heart of Camp. Music was played from the veranda of the lodge, and some fun water games were played as well. Yesterday really was another day for the campers to get to enjoy their precious time here in this beautiful piece of paradise.

“The sticky buns were found and were ready to be enjoyed.

THEOLOGY REVIEW

“No matter how much we may study, it is not possible to come to know God unless we live according to His commandments, for God is not known by science, but by the Holy Spirit.”
~ St. Silouan the Athonite
