ATTENTION CAMPERS!

CAMP 2016
is right around the corner!

ARE YOU READY?

A POEM FOR OUR CAMPERS

The cabins are getting bigger, they've expanded at a great rate,
Wait 'til you finally see them, make sure you're bus isn't late.

When you arrive ready they will certainly be,
Ready to house campers from 7 and 8 up to cabins A and B.

Treat them right and you're time in them will last,
Treat them some other way and oh you'll be out of them fast.

The cabins are waiting for you with new features galore,
Can't wait for you to be in them, believe us, you'll be asking for more.

More time to spend in them, remember, they now have A/C,
But hands off the thermostats, don't touch them, no not one degree!!

But you can touch the showers in them, yes these are for you,
So are the common rooms and couches, some furniture red, some furniture blue.

The covered front porches and the lights at your doors,
Will give you the feeling of home, so will the throw carpets on the tile floors.

So come back home to your Camp in Mercer, PA,
Camp Naz is its name, we know you know the way.

We'll be ready for you, eagerly waiting for you to arrive,
Hurry now, don't stop, not till the end of the Camp Nazareth drive!
CAMP NAZARETH UPDATE

It seems like just yesterday campers were arriving for the 2015 camping season. It seems like just yesterday campers were using the ropes course for the first time. And it seems like just yesterday campers were saying “goodbye” and “see you next year” to each other.

Fortunately the 2016 camping season is just around the corner! And trust us, your wait will be worth it! We have been working hard at Camp building new cabins, finishing the ropes course and laying out an incredible summer program that will take Camp to a whole new level of awesome.

Through the weekly issue of The Nazarene, along with our website, Facebook page and Instagram account, you’ll be able to see what’s waiting for you at Camp. But don’t worry, we won’t spoil all the surprises.

So until we see you in the summer, be sure to follow us on Facebook and Instagram to stay connected with us. We can’t wait to see you, and we hope you enjoy the Spring 2016 Issues of The Nazarene.

Lighten Reminders

In other news: A very large cat was spotted in the woods at Camp. The CN Staff has looked into the sighting and says Camp is on schedule to have fun during the 2016 camping season.

Bro. You ready for camp?
